penalities, the Bulldogs can say the same thing, as they had a TD called back with two sconds left on the clock. The infraction was offsides and illegal motion, both errors by the Andalusia Bulldogs. The Andy coaches were very upset over the call and were assessed another 15 yards for the coach coming on the field without authorization. They continued the

discussion with the officials after the game and most of the Elba fans stayed in their seats expecting to see a fight as the field was covered with Bulldogs players and fans from both sides and the Andalusia emotions were running pretty high. The entire 'ba team and coaching staff had left the field immediately after the whistle was blown. The game got underway

with Elba being assessed 5 yards for being offsides on the Andalusia kick-off and wound up with the ball on their own 26 rather than kick.

Elba then fumbled the rains. ball and Andalusia went into action with the ball on the move to the 32 in three downs and on 4th down 150 pounds Tommy Weedon tailback for Andy, skirted his left end for six points and Paul Spears drove over the PAT at right end and the score was Andalusia 6. Elba 0 with 9:36 left in the first quarter. The Bulldogs again kicked out of bounds with Elb

tacking the ball rather than having it re-kicked. Dennis Smith got a 1st down to midfield. Donnie Holley and Bill Scarbrough got five yards but Elba was forced to kick. Andalusia had the ball on their own 20 and could not move in three downs.

BRAINSTORMS With Ferrin Cox

A couple of weeks ago I mentioned here about maybe we needed a new high school rather than a new junior high. Several people thought that was a very good thought, and wanted it carried out. Well, for that to be carried out someone(or a lot of someones) must convince the school board that the extra money can be raised! This should be done right now if it is to be done, because the board is now working on plans for a new building in a couple of years.

There were complaints because the Elba-Geneva football score was not in the Montgomery Advertiser Saturday afterthe game. Well, it is usually the home team that calls in the scores, but no one does it for pay and if you, me or anyone wants to be sure it is in the Advertiser, give them a call yourself or stop complaining, they are not mind readers.

If I were an expert at deceit, I would try to tell some who complained to me about the ballgame write-ups twot being in the Advertiser, that in answer to their complaint, "we had" them make the Elba-Andalusia game named the game of the week. Actually though, didn't know it until Thursday morning myself.

Anyone who attended the Elba Elementary Halloween Carnival, surely saw Burt Morrow with his dress and wig. Burt looked very much like his mother in that get-up. The only thing that gave him away was his bigger size. Burt is now quite a bit larger than his mother was even before she went on her very successful diet last spring. (How is that for covering

Those who have been complaining to me about the football programs know we had nothing to do with them, but to you others who have complained to each other about the messed up line-ups and pictures I promise that we are not quilty! Someone else set that up and someone else printed it, thank goodness!

At the Andy-Elba football game I thought Andalusia had the best band I had seen any of our opponents field this year. However, following the game members of the band engaged in throwing either rocks or warge chunks of ice as the bus was leaving. I did not mind so much them peppering my car · · · · · as I did the thought of them possibly hitting my two small children who were standing there in the front yard watching the cars and busses leave. No one knows how close they came to being hit, but standing by a car that

hold the entire band accountable for the actions of a few imbicles. On that you may quote me too!

We all are hearing a lot about the Woman Liberation Movement in the United States and around the world. In a recent issue of Newsweek there was an article or that in religion. They quoted several verses from the Bible that should stir the fire in the fairer sex. In Timothy 2:11-14 Paul said, "But I permit not a woman to teach, nor to usurp authority over man, but to be in silence. For Adam was first formed, then Eve. And Adam was not deceived, but the woman, being deceived, was in the transgression." Good News For Modern Man uses the words silence, keep quiet, and with mo-desty in the same section. Now I think I have better sense than to argue the pros or cons of Woman's Liberation or of the Bible, but here is some ammo for someone who doesn't, but don't say I said so!

Next Wednesday morning I leave for Colorado Springs, Colorado, for a whirlwind tour of the Aerospace Defense Command at Ent Air Force Base and the NORAD communications center in Cheyenne Mountain. The last time I was in Colorado Springs was when the U.S. Army shipped this old South Alabama boy to Ft. Carson in January-March for basic training. Maybe this time I can see some of the beauty the country is famed for rather than nothing but bare, flat ground or another mountain of rocks covered with snow that someone is hollering at me to climb!

their point in Opp October 14 as an impressively large audience from over south-

east Alabama can now at-It was the premier performance of the Southeast Alabama Arts Association Series 70-71, a series conceived as an area effort to provide live, high quality, artistic performances in southeast Alabama. The Association is assisted by the Alabama Council on the Arts and its activities are coordinated at the Enterprise State Junior College. Yuri Chatal and his Ballet Dance Group presented a well-balanced program of romantic and classic repertory, meticulously correct in details of presentation and performance, and perfectly suited to the occasion and the audience. The five dancers, handling costume changes masterfully, presented their program with such aplomb and

It was a special treat for the over one hundred dance and music students in the audience from Elba, Opp, Florala, Enterprise, Andalusia and northwest Florida. The Brahms, Chopin, and Strauss music was familiar to all and the dancing was pure pleasure. The "Peasant Pas De Deux" from Giselle" was an excellent selection to exhibit this classical structure in ballet, while the traditional Russian folk music, to which Mr. Chatal choreographed a gem of a dance, gave a touch of the folk neritage incorporated into Games", to music by Mau-

Jehovah's Witnesses To Hold Fall Circuit In Opp

David Lassiter, spokesman for the local congregation, announced today that the Fall circuit assembly of Jehovah's Witnesses will be held in the Opp High School, Opp, Alabama November 6, 7, and 8. The New Brockton group will join more than 700 delegates from the surrounding area who will be there with their families. Las-siter said, "Christmas must have faith alone with works." The assembly program with its many lectures and demonstrations, has been designed to help all in attendance to build a strong faith. All local meetings at the Kingdom Hall will be can-
